

The Cherokee Chapter of the AMCA is proud to announce an after-hours VIP Shop Party will be held during the Cherokee / Pate Swap Meet Event to recognize and show our appreciation to all our Event Sponsors listed below. This is simply our old-fashioned, neighborly, Texas way of showing our gratitude for these companies and individuals whom support our efforts in promoting Our Great Sport of Vintage and Classic Motorcycles.

VIP Invitations will be personally handed out during the Pate Swap Meet and the Cherokee Concours d’Pate Show. This after-hours social gathering of Motorcycle Industry Media, Bike builders, Parts fabricators and suppliers, Museums, Event organizers, Racers, Collectors, and Vintage and Classic Motorcycle Clubs is intended to be an environment where we all can get to know each other better and share ideas to better promote our collective sports.

Kyle Shorey, owner of **Shadetree Fabrications** and noted Custom Bike Builder at virtually all National Bike Build-Off events is hosting this event at his facility just 1.8 miles North & East of the Texas Motor Speedway, Pate Swap Meet.

VIP Invitees, space, food and beverages are therefore limited to Invitation Only!

- ✓ This is not an “Open Door Event” to all Motorcycle Swap Meet Vendors and participating Motorcycle Club Members whom attend the Cherokee Pate Swap Meet and Concours d’Pate Bike Show.
- ✓ Any Cherokee Chapter or other Participating Motorcycle Club Member(s) whom actually volunteer to help the Cherokee Chapter with setup and daily operation of this Swap Meet and Concours d’Pate Bike Show will receive a VIP Invitation from a member of the Cherokee Pate Management Team during the event on Thurs. & Friday.
- ✓ All participants whom show a Motorcycle(s) in the Concours d’Pate Show will also receive one VIP invitation.
- ✓ Each Invitation will Admit One Person only to this VIP Party.
- ✓ Any additional individual(s) that do show up are expected to donate to the VIP Party upon arrival to help offset the cost of any additional food/ refreshments necessary.

The Cherokee Chapter of the AMCA is an all-volunteer non-profit club of like-minded individual vintage motorcycle enthusiasts whom work very hard to promote our great sport. We simply do not have the funds to feed and water everyone whom feels they are special and that can crash this VIP Party Event. Please let Honesty Prevail.
